Dear valued customer,

Thank you for choosing our suppressor! We take pride in our products and stand behind their quality and performance. As such, we offer the following warranty:

Limited Lifetime Warranty:

We take pride in our products and stand behind their quality and performance. As such, we offer the following warranty:

Our rifle hunting suppressor is warranted to be free from defects in materials and workmanship for the lifetime of the original purchaser. If your rifle hunting suppressor fails due to a defect in materials or workmanship, we will repair or replace it free of charge, at our discretion. This warranty does not cover normal wear and tear, damage caused by improper use, abuse, neglect, modifications, accidents, or any damage caused by the use of non-standard or non-recommended ammunition.

Due to the robust design of the over the barrel system, the only foreseeable user error would be to use the incorrect (undersized) front cap. So don't do that.

To make a warranty claim, please contact us and provide proof of purchase, a description of the problem, and any other information we may need to process your claim. We will provide instructions for returning the suppressor to us for evaluation and repair or replacement. This limited lifetime warranty is in addition to any other rights you may have under applicable law. Our liability under this warranty is limited to the repair or replacement of the suppressor and we shall not be liable for any other damages, including but not limited to incidental or consequential damages.

Sincerely,

J. Sip and Sons
